Our purpose is to preserve the heritage and traditions of the ranching lifestyle. By hosting a ranch rodeo, your community can help us to achieve our goal.

Please be sure to read the requirements and outlines carefully and return the sanctioning sheet as soon as possible. The sanctioning sheet must be received, along with the sanctioning fee, at least 30 days prior to your event. **If you would like to have your ranch rodeo date reserved for the same weekend as held in 2010, please send in your sanctioning form and fee before April 1, 2011.** Your date will not be reserved until sanction sheet and fee has been returned and approved.

We thank you for your interest in hosting a 2011 Manitoba Ranch Rodeo.

- Rodeo length would approximately be 3 hours for 4-event and 4 hours for a 5 event, depending on added activities
- Committees must cover the costs of 2 judges, 2 timers, and 1 secretary. MRRA will assign these officials to all rodeos. If committees wish, they may supply experienced timers. They will not be paid by the MRRA. The committee's official's bill will reflect the deduction of timers wages.

- Local contestants wishing to hometown rodeo can do so without buying a membership, only if they have not entered another MRRA rodeo this season.
- **All teams, barrel racers, and goat tyers, including hometown participants must phone in and enter by 10:00 pm on the Monday prior to rodeo date to enter.**
- Hometown contestants must abide by MRRA rules. Rule books available upon request.

Optional Activities For A Successful Event:

- **Calcutta** of teams takes place after grand entry. If advertised ahead this helps to increase audience participation. We encourage committees to have a calcutta because 10% of the money raised is given to the rodeo committee, and another 10% is kept by the MRRA to help pay for Year End Finals & Awards. Calcutta is run by the MRRA and paper work is done by the secretary.
- **Kid's events** such as stick horse races, candy scrambles, mutton busting, dummy roping, etc. can be added to your event. These events can add to your attendance if advertised ahead of time. Just keep in mind it also adds to the length of time for the rodeo performance.
- **Programs** help audience members to follow along.

Announcers:

Each committee is responsible for having an announcer for their rodeo. Two of the announcers that have worked at Ranch Rodeos in the past that you could contact are:
